Contemporary Shutters

INTERIOR ELEGANCE

The Santa Fe Contemporary Range of shutters provides an elegant functional window covering that brings the outside in, or shuts it out depending on your mood.

This range of imported shutters is manufactured to custom fit into each individual opening. They are of the highest quality and can be installed to hinge, bifold or slide, in any room within your home, apartment or bach.

The unique processes that are available to Santa Fe Shutters in the manufacturing of the Contemporary Range, allows us to provide you with an economical window covering, whilst adding to the appeal and value of your home.

or a Free measure and quote.

Cedar

Enjoy the warmth & beauty of natural dark wood with light or medium dark Western Red Cedar shutters. These shutters can be lacquered or painted to suit your décor.

Phoenixwood

The classic wood look. Beautifully finished hardwood shutters with distinctive grain patterns Available in a range of classic paint and stain colours.

Basswood

A smooth refined wood, more dense than traditional Cedar, giving better resistance to knocks. Available in 17 shades of white, 9 wash colours and 17 wood stains.

Woodbury

Very hard wearing, water resistant composite. Plastic and wood laminated together. Ideal in bathrooms or hardwearing areas. Available in six white and neutral colours

Woodlore

An extremely durable and cost effective shutter with a polypropylene coating. Excellent in hard knock areas (kids rooms). Available in three white and neutral paint options.

Motorised Shutters

Our new electronic shutter with remote controlled opening and closing blades mean shutters can be used up high or in modern skylights where too much heat and sun can be a problem.
