Aluminium

FENCES & GATES

Add style and value to your home with aluminium gates and fences from Santa Fe

Santa Fe offers a special range of high quality and durable aluminium gate and fencing products. This contemporary range offers both style and security with the added bonus of a maintenance free finish.

Designed to your specifications, these lockable, durable and maintenance free aluminium fences and gates, with aerofoil blades or Loc-It slats can be used to create privacy and security around your home or bach.

With a wide range of colour choices available, and the option of custom powder coat if desired; this means that you have a wide variety of choices to suit your decor and ensure that your fence looks great for years to come.

Santa Fe combines style with practicality to help you create a unique statement in your home, office or holiday home. Whichever product you choose, you can be certain that Santa Fe will work alongside you to provide you with a great service experience.

MALIBU RANGE

Malibu blades are stylish, aerofoil blades that are available in a large range of sizes. They can be installed in a horizontal or vertical orientation and the spacing can be altered to create the look and level of privacy you desire.

Malibu 90

Maximum Blade Span 1200

Malibu 115

Maximum Blade Span 1500mm

Malibu 150

Maximum Blade Span 2400mm

LOC-IT RANGE

The Loc-It system is made with interlocking 38mm or 70mm blades. They can be used either vertically or horizontally to create the look you require.

Locit 70

Maximum Blade Span 1200

Spacings available - 9mm, 19mm, 125mm and Lattice.

Locit 38mm

Maximum Blade Span 1200mm

Spacing available 9mm, 19mm, 101mm and Lattice.

FLORIDA RANGE

The Florida Range has adjustable blades. The larger adjustable blades in this range can look great on fences and gates giving you the flexibility to have privacy on the property by closing and locking the blades, or seeing the view when the blades are open.

Florida Superview 150

Maximum Blade Span 2400mm

Florida Superview 190

Maximum Blade Span 2400mm
