## PREMIUM VENETIAN BLINDS

Naturally elegant, these beautifully finished Venetian blinds are crafted from sustainably grown forest hardwoods in an expansive range of painted, washed and stained fashion colours. Or you can choose your own custom colour for little extra cost! Lovely in any style of home.

With special aluminium headrail systems and extensive range of coordinated cord and colour options, they provide an ideal design solution at an affordable price.

The shaped bottom rail that sits snugly on your bottom sill also helps filter sunlight and the harmful effects UV can have on valuable furnishings and floor coverings. The slat widths of 50mm and 63mm are available.
