

# ALUMINIUM SHUTTERS

Exterior Screens & Shutters

## A RESORT LOOK FOR YOUR HOME OR BACH

Create private, wind free areas on your deck with these clean lined, low maintenance, aluminium screens and shutters.

Santa Fe Aluminium shutters are designed to help you create beautiful, functional and affordable outdoor rooms to make the most of your indoor / outdoor living space year round.

Select from our wide range of powdercoat colours to enhance the exterior colour scheme of your home and look great for years to come.

These shutters can be installed to slide or bifold allowing you the flexibility to fully open or fully enclose your outdoor area. Alternatively, you can choose the option of having a screen fixed in place. The blades can be fully adjustable or fixed.

Santa Fe combines style with practicality to help you create a unique statement on your home, office, or holiday home. Whichever product you choose, you can be certain that we will work alongside you to provide you with a great service experience.

## ULTRA RANGE

The Ultra range is an aluminium shutter designed for either interior or exterior use. In addition to frame options, these shutters may also be installed to slide and bifold. A range of locks and handles are available in white, silver and black. For extra privacy and security this shutter can be fitted with a blade lock.
