Interior Elegance

## OPTIONS FOR EVERY ROOM

The Santa Fe Range of shutters provides an elegant functional window covering that brings the outside in, or shuts it out depending on your mood.

This range of imported shutters is manufactured by Norman to custom fit into each individual opening. They are of the highest quality and can be installed to hinge, bifold or slide, in any room within your home, apartment or bach.

The unique processes that are available to Santa Fe Shutters in the manufacturing of the range, allows us to provide you with an economical window covering, whilst adding to the appeal and value of your home.

### WOODLORE

An extremely durable and cost effective shutter with a polypropylene coating. Excellent in hard knock areas (kids rooms). Available in 9 white and neutral paint options.

### WOODLORE PLUS

This product combines the best of Woodlore framing and stiles with synthetic (ABS) blades. The ABS blades are very hardwearing and more resistant to knocks. As these blades are lighter in weight the shutter can be manufactured to a wider dimension. Available in 26 paint colours or custom paint.

### WATERPROOF WOODLORE PLUS

A very hard wearing, water resistant composite shutter manufactured in ABS. Ideal in bathrooms or hard wearing areas. Available in 26 paint colours or custom paint.

### BRIGHTWOOD

Brightwood is an engineered hardwood shutter with Woodlore framing. An ideal shutter for larger openings as it can go wider and higher than natural timber. Available in 26 paint colours or custom paint.

### NORMANDY

The classic wood look. Beautifully finished hardwood shutter with a smooth even finish through the whole shutter panel. Stained shutters feature a stunning distinctive grain pattern. Available in a range of 26 classic paint, 24 stain colours or custom paint.

### ULTRA

A beautifully crafted elite shutter with thicker stiles, rails and framing. If you want a shutter to make a statement this is the option for you. A hardwood shutter with an even smooth finish for absolute elegance. Paint or stain finish.
