**The perfect solution  
for light control  
privacy and view.**

With PerfectSheer's three-layered soft shades, you can easily transition from sheer to light filtering or room darkening with a simple pull of a cord or using a motorised remote.

Enjoy natural daylight with the open sheer fabric, providing visibility and modest privacy. Close the vanes for added insulation, heat reduction, glare control and reduced UV damage.

### The ultimate in light control

PerfectSheer's innovative design offers the tightest vane closure for superior privacy and light management. Available in a wide range of textures and colours, PerfectSheer shades enhance any décor with functionality, elegance and style.

Choose from light filtering fabrics for soft, diffused light or room darkening fabrics for enhanced privacy and light control. With 22 light filtering and 10 room darkening fabric colour options, there is a perfect choice for every space.

### Woven to perfection

Norman's PerfectSheer Shades feature 100% woven construction, avoiding glued or heat-fused methods. This meticulous weaving process ensures a durable, beautiful shade that remains vibrant under the harsh New Zealand sun.

### Control your whole house

Manage all your shades with ease using the ShadeAuto Hub and App. Enhance comfort with scheduled settings and improve security with a mode that closes shades automatically at sunset or when you're away. Compatible with Android, iOS, and voice control systems.
