**Our shaped shutters
are precisely
crafted to ensure an
impeccable fit.**

From angles and arches to circles, fan, triangular or sunburst shutters we can customise our specialty shaped shutters to complement any window shape.

Shutters are the perfect solution for any shaped window where it's difficult to find curtains or blinds to suit the space. Whether viewed from inside or outside, shaped shutters are timeless, striking and elegant.

CUSTOM
SHAPES

Our shaped shutters are expertly crafted for a precise fit, offering an elegant solution for even the most uniquely shaped windows.

Available in Normandy, Woodlore Plus Waterproof, and Ultra materials, these shutters provide unmatched durability and style. Choose from a variety of painted colours and rich stained finishes (available in Normandy and Ultra) to match any interior décor.

Customisable to any shape

We offer the most customisable range in the New Zealand market, perfect for arched windows, circles, ovals, hexagons, and more. Whether it's an eyebrow arch, quarter-round sunburst, or a continuous arch, our shutters are designed to enhance the aesthetic of any space where curtains or blinds may not be suitable.

10-year warranty

Our shutters are backed by a 10 year no questions asked warranty to give you the utmost confidence in your purchase.

Highlight your windows

Shaped shutters can turn any window into a standout feature, adding both character and function. They're ideal for accentuating unique architectural details while maintaining a cohesive interior design.

Enhanced insulation

Custom fitted shutters help reduce heat loss through high or uniquely shaped windows, providing a snug fit that keeps your home warmer during winter months.

Versatile light control

Our shutters are easy to adjust for optimal light control. With options like tilt splits, you can close one section of the blades while keeping the rest open, allowing for natural light and maintaining your view.
