Available in
over 300 on trend
colours and
fashionable fabrics

Soluna is geared for the brightest days and the most relaxing nights. Choose from the latest colour trends, textures, patterns and opacities ranging from sheer to room darkening.

Better materials

All of our 300+ delicate roller fabrics are soft to the touch and crafted with fashionable interior design trends in mind to complement the décor in your home.

Soluna roller blinds come in a range of natural fibre options including cotton, linen, jute and paper.

Our residential fabrics are 100% PVC-free, offering a luxurious, textured feel that elevates any space. Lightweight and environmentally friendly, they provide a safer, healthier option for your family. We also offer a commercial range with PVC screen fabrics to meet diverse needs.

Ultimate light and privacy control

Whether you want sheer and light filtering fabrics to let natural light flood in, or room darkening options to create a restful retreat, there's something for every style and space.

Add a finishing touch

Complete your look with a touch of elegance with optional fascias or valances, or personalise further with plain or fabric-wrapped bottom rails. Let your imagination run wild and transform your windows into a reflection of your personality and desired aesthetic.

All our blinds have a 5-year warranty for added peace of mind

Easy operation

Tailor Soluna Roller Blinds to your space with our range of sophisticated yet effortless operating systems and motorisation features.

Classic chain

Choose a classic chain-driven roller blind with a clutch system for smooth control. This comes with a chain tensioner for increased safety.

SmartRelease chain

Smoothly and quietly lowers blinds with a quick pull, perfect for long windows and sliding doors.

PrecisionLift Cordless

With a finger's touch, effortlessly brighten your room or create a cosier ambience using our PrecisionLift Cordless system, designed to adjust within a millimetre of your preferred settings.

Motorised rechargeable

Motorised roller blind with a rechargeable battery, programmable for independent or simultaneous operation with your other blinds. This motorised options are interchangeable with all other Norman[®] motorised products.

Motorised rechargeable with AutoWand

Rechargeable motorised blind with an attached control wand, ideal for kids' rooms - no remote needed.

ShadeAuto Hub and App

Control your blinds from anywhere with the ShadeAuto Hub and App. Boost productivity and comfort with regular schedules, and enhance home security with Security Mode, which automatically closes your Soluna Roller Blinds at sunset or when you're away.

Compatible with Apple and Android devices, and can integrate with Google Home, Amazon Alexa or Apple Home. Manage your settings through voice, app, or remote for seamless operation that fits your lifestyle.

Experience complete blackout with Lightguard 360

Tired of light creeping through the edges of your roller blinds and disturbing your sleep?

Soluna is available with LightGuard 360 which features a fully encased headrail, side and bottom tracks which are lined with black bristles.

This unique feature ensures exceptional blackout for Sunday sleep-ins, shift workers, napping children or all-day movie marathons.

Perfect in media rooms and childrens bedrooms or any room in your home that you need to be light free.
